

## **PROGRAM PENTAS PERIBAHASA (DRAMATIZING PROVERB)**

### ***Program Details***

- Synopsis** : Pentas Peribahasa is an experiential learning programme aimed at developing and giving the students a higher understanding and appreciation of the age-old art of Malay proverbs or peribahasa a delightful experience for all.
- Overview** : The programme allows the students to experience, learn and demonstrate the various aspects of the Malay Peribahasa or proverb, which usually conveyed many moral messages, valuable advises, ethical guidance, and exemplary behaviors. Those expressions usually serve as means for education purposes and teaching process. During the programme, the students will be given challenges where they will discover that some of these proverbs are all around them. As a proverb is a story in itself, students will be showing their understanding of proverbs by telling the story of selected proverbs. From using their 5 senses to engaging them in simulated activities such as acting, it makes the learning and understanding of the age-old art of Malay proverbs a delightful experience.
- Program Objectives** :
1. To allow all the students to learn the Malay language and culture through practical and interactive activities.
  2. To create an interest in and appreciation of the Malay language and culture.
  3. Understand better and acquire relevant skills in the different language and cultural aspects.
  4. Demonstrate a higher appreciation of the Malay language and culture.
- Learning Objectives** :
1. Identify and understand the different aspects of the Malay proverb or Peribahasa.
  2. Understand the importance of Peribahasa in conveying meanings and messages.
  3. Demonstrate the meanings and messages and the uses of Peribahasa.

## About NUDA

NUDA was established to develop the rich Malay heritage, in particular its language, culture and performing arts forms. NUDA organises programs that aim to provide its participants, mainly students, with the opportunities to develop their creativity to express themselves and learn to participate in a group.

NUDA provides quality language and arts programs for students from primary to secondary schools. Each of NUDA's programs is unique. NUDA's strong believes in customizing the programs to cater to the needs of the schools and fusing the language elements with the performance arts are hallmarks of NUDA's programs, making them unique. The programs are carefully designed to enable students to succeed in all areas of development and to promote within each learner a sense of accomplishment, confidence and a positive self-image.

NUDA's workshops and programs for schools are conducted by qualified trainers and facilitators. Led by its Creative Director and Master Facilitator, CG Karmin Abbas, NUDA's trainers and facilitators believe strongly that motivation remains the basis of success for someone who wants to be good in what he or she does, be it the language, arts, sports etc.
